1991 - 2016

Safety & Access are inviting you and your colleagues to our Networking Day at our Humber Training Centre

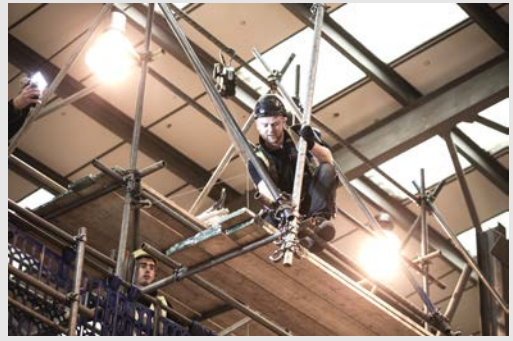

CATCH, Stallingborough – Sept 27th
09.30 – 14.00

The day features interesting and stimulating input from many speakers including a legal update from H&S legal expert Gary Lewis and leading industry stakeholders including CISRS/NASC. Also featured is a moving account by Paul Blanchard on how an accident can change everything.

There will also be trade stands, demonstrations and incentives along with lunch!
